PROFILE SUMMARY

I am a final-year student in IT and Management at the University of South-Eastern Norway (USN), with a strong interest in backend and full-stack development using .NET and React. I have experience in both frontend and backend development and enjoy working across the entire development process. I am eager to learn, adaptable, and ready to contribute as a full-stack developer.

EDUCATION

Bachelor's in IT and Management, USN 08.2022 – Present
Bachelor's in Health, Safety, and Environment (HSE), Perm State Agricultural Academy, Russia 09.2006 – 06.2011

SKILLS

Programming Languages: C#, TypeScript, JavaScript, HTML, CSS

Databases: MySQL, SQLite, SQL Server, CosmosDB, FirebaseDB

Frameworks: React

Testing: Unit testing

Language Skills: Norwegian (fluent), English (fluent), Russian (native)
